

Rear View Mirror/Console

Rear View Mirror Replacement

1. Remove the rubber damper.
2. Pry the cover off using the end of a slot-head screw driver.

3. Remove both mounting screws from the mirror base, then remove the mirror assembly.
4. Remove the base from the rear view mirror.

Console Replacement

1. Remove the shift lever knob.
2. Lift up the parking brake lever.
3. Remove the center cap and center lid.
4. Remove the console by removing the attaching screws.
5. Install the console in the reverse order of removal.
